## ANNOUNCEMENT ABOUT THE CORONAVIRUS

With regard to the recent outbreak of the novel coronavirus 2019 (COVID-19) (“**Coronavirus**”), and its potential impact on the ability of Asturiana de Zinc SAU to perform its supply engagements.

As at the date of this posting, there have been no issues in respect of the supply performance resulting from the Coronavirus. We currently do not anticipate that any such issues will arise. However the situation is dynamic and we will update you should the position change.

Where applicable and relevant, Asturiana de Zinc is implementing appropriate measures in its operations to protect the health of our workforce while minimising any production issues.
